Can't Come on Volunteering Day??

To cancel your day to serve or drive, call Pam Hill **at home cell 418-5424** the night before so she can get a “sub” for you.

Pam's Column...

Well another month has gone by and so far we are doing OK. I know that all of the covid protocols can be a real pain, but so far we have not had anyone that I know of that has gotten sick. We have at times been really short of volunteers with people off and in quarantine but I think the results have been worth it. We can all be proud of the job we have done staying safe and still managing to get fed. Kudos to everyone for all your hard work.

It is nice to see somethings starting to return to some ideal normal. How about them Bills? I have been glued to the TV for the first three games! Sure hope this month is as good (yes I am football fan).

I did put up Halloween décor this year, but don't know if they have trick or treating this year. I just enjoy the kids faces when they check out everything in the yard, handing out is just an optional extra.

Well if any of you know of anyone looking for something to do or wishing to volunteer somewhere send them our way. We have lost several people in the last six months or so and we have several openings on routes that need filling.

Well that's all until next time when it will be another month closer to Christmas! Boy time sure flies doesn't it!

Pam

Reminder school is in session!
Volunteer drivers be sure to follow all school speed limits!! Speed limits are different in North Tonawanda and Tonawanda
