Coordinators Column

Well we are heading into the fall season again-so remind me once again-do I really want four season weather? I know I really like Halloween and all of the spooky stuff next month but the cold not so much so any more. But I have the fall décor out, and I will probably be putting some of it out this weekend.

We hope to get the onside of MOW painted this month (or next month) and Curt Gaume has been working hard on a grant to replace the walk-in cooler and freezer in the back room. After all they are twenty five years old! I can't wait to see the new ones! TCCO has also been doing a lot of work on the building! Check out the refurbished entryway at the food pantry-no more leaking under the door. They also had new flooring put down in their entryway and it is beautiful. The first week of September they are getting a new garage door installed on the side of the building as the old one was in rough shape. And last but not least they now have their own bathroom in the Clothes Closet! No more walking over to us at MOW to use the facilities.

With the weather changing we might have to come up with a new COVID plan for the drivers and servers wait time. Let me know what you think, as it

will be hard to have to sit outside as it gets colder.

And for our final note I notice that they have quite a few new drivers at the bus garage this year. Several new faces-give them a wave if you see them.

So until next month drive carefully and Thank You for all you do!!

School will begin Soon Drive Carefully

Remember there are different school speed zones in the city of Tonawanda 15 MPH and North Tonawanda 20 MPH.

AND REMEMBER NEW school speed zones in North Tonawanda, Nash Road to Deerfield is 20 MPH and Ruie Road between Nash and Vanderbilt is 20 MPH ALL YEAR because of the BOCES program.

LAUGH TIME

If My Body Was a Car!

This is just too funny – scary how true it is!

If my body was a car – this is the time I would be thinking about trading it in for a newer model. I've got bumps and dents and scratches in my finish and my paint job is getting a little dull... But that's not the worst of it.

My traction is not as graceful as it was. I slip and slide and skid and bump into things even in the best of weather.

My whitewalls are stained with varicose veins.

It takes me hours to reach my maximum speed.
My fuel rate burns inefficiently.

But here's the worst of it.

Almost every time I sneeze, cough or sputter,
Either my radiator leaks or
My Exhaust Backfires!

Groan Man

Mahatma Gandhi, as everyone knows, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little, which made him rather frail, and with his odd diet, he suffered from bad breath. This made him a -ready?- super-callused fragile mystic hexed by halitosis.

Two Eskimos sitting in a kayak were chilly, but when they lit a fire in the craft, it sank, proving once again that you can't have your kayak and heat it, too.

Play Chess?

A group of chess enthusiast checked into a hotel and were standing in the lobby discussing their recent tournament victories. After about an hour, the manager came out of his office and asked them to disperse. "But why?" they asked, as they moved off. "Because," he said, I can't stand chess nuts boasting in an open foyer."

Love is...

What Love means to 4 – 8 year olds kids.

A group of professional people posed this question to a group of 4 to 8 year-olds.

Karl – age 5.

'Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs.'

Chrissy – age 6

'Love is what makes you smile when you're tired.'

Terri – age 4

'Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK.'

Danny – age 8

'Love is when you tell a guy you like his shirt, then he wears it ever day.'

Noelle – age 7

'Love is like a little old woman and a little old man who are still friends even after they know each other so well.'

Chris – age 7

"Love is when your puppy likes your face even after you left him alone all day.'

Mary Ann – age 4

'I know my older sister loves me because she gave me all her old clothes and has to go out to buy new ones.'

Lauren – age 4

'When you love somebody, your eyelashes go up and down and little stars come out of you.'

An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen. The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant

and it was really great. I would recommend it very highly.'

The other man said. 'What is the name of the restaurant?'

The first man thought and thought and finally said, 'What is the name of that flower you give to someone you love? You know...The one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turns toward the kitchen and yells, 'Rose, what's the name of that restaurant we went to last night?'

Three old guys are out walking. First one says, 'Windy, isn't it?'

Second one says, 'No, it's Thursday!'

Third one says, 'So am I. Lets go get a beer.'

Morris, an 82 year-old man. Went to the doctor to get a physical.

A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.

A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'

Morris replied, 'Just doing what you said, Doc: 'Got a hot mamma and be cheerful.'"

The doctor said, 'I didn't say that. I said.

'You've got a heart murmur; be careful.'

I was thinking about how a statue symbol of today is those cell phones that everyone has clipped onto their belt or purse. I can't afford one.

So, I'm wearing my garage door opener. I also made a cover for my hearing aid and now I have what they call blue teeth, I think.

You know, I spent a fortune on deodorant before I realized that people didn't like me anyway.

I was thinking that women should put pictures of missing husbands on beer cans.

I know, when people see a cat's litter box, they always say, 'Oh, have you got a cat?'

Just once I want to say, 'No, it's for company!'
